Hosted by
**Jaipur Neuro Intervention Society &
Rajasthan Academy of Neurology**

Welcome Message

Dear Colleagues, Distinguished Faculty, and Friends,

It gives us immense pleasure to welcome you to **INSC 2027** – the 20th Annual Conference of the Indian Stroke Association, scheduled from 12th–14th March 2027 in Jaipur, Rajasthan.

The Organising Committee warmly invites you to join us for this landmark academic gathering centered around the theme: **“Advancing Acute Stroke Care”**

Stroke care is evolving rapidly with remarkable advances in acute interventions, neuroimaging, critical care, rehabilitation, and multidisciplinary management. INSC 2027 aims to provide a vibrant platform for clinicians, researchers, interventionists, neurologists, neurosurgeons, emergency physicians, rehabilitation experts, and healthcare professionals to exchange knowledge, share innovations, and discuss the future of stroke care in India and beyond.

Hosted in the culturally rich and historic city of Jaipur, the conference promises an enriching scientific experience featuring keynote lectures, panel discussions, hands-on workshops, case-based learning, research presentations, and opportunities for meaningful collaboration.

Beyond academics, we hope you will enjoy the warmth, heritage, and hospitality of the Pink City while reconnecting with colleagues and building new professional friendships.

We look forward to welcoming you to Jaipur for an inspiring and memorable **INSC 2027**.

With warm regards,
